

# EFFICA<sup>™</sup> E1 Ultrasonic Cleaning System

- Contemporary Design
- Quiet Operation
- Custom Basket Included
- Unique Cover
- Fast, Convenient Draining

The Effica<sup>™</sup> E1's contemporary design and quiet operation will enhance any instrument cleaning work station. The custom basket (included) provides better energy flow around instruments for superior cleaning results prior to sterilization. This newly designed Ultrasonic Cleaning System has a unique cover which operates like a hinged cover but is easily removable. It allows for closed-cover quiet operation even with the accessories inside. An enlarged drain line empties the tank 65% faster than conventional drains. Basket is included. One gallon capacity tank. Digital preset timer. Heat is optional. Accessories are available. Made in U.S.A. 2 year warranty.

(Product Code 26831)

## Optional Automatic Locking Cover Available

To eliminate the addition and removal of contaminated instruments during an ultrasonic cleaning cycle, the Effica E1 Ultrasonic Cleaning System features an optional automatic locking cover.

This unique feature secures the cover throughout each cleaning cycle to provide a standardized, efficacious instrument cleaning program.

(Product Code 26759)
